About Huddlestock Fintech:

Huddlestock Fintech is an innovative technology software provider with a leading expert professional services business. We deliver innovative and sustainable technology solutions to the capital markets, treasury and wealth management industries.

Through its technology offering, Huddlestock offers an innovative, compliant, and data-centric WealthTech SaaS, accelerating the digital transformation, and trends of hyper-personalization and on-demand banking within the wealth management industry. Huddlestock's SaaS empowers the embedding of low-cost, efficient white-label trading and investment services, underpinning Huddlestock's mission of delivering financial inclusion by democratizing access to capital markets.

Through its world-class expert professional services business, Huddlestock delivers strategic technology solutions and process automation for the financial services industry. This range of services has propelled Huddlestock into becoming the preferred supplier of financial consultancy services and technology solutions in the Nordic region. Huddlestock Fintech AS is regulated by Bafin and was listed on Euronext Growth Market 26 November 2020, as Norway's first fintech company to be publicly traded.
